Locatie	Assen
Uren per week	40 uren per week
Looptijd	30.09.2022 - 29.09.2023
Opdrachtnummer	120261
Sluitingstijd	29.09.2023

Rolomschrijving en taakafspraken

Het CV en de motivatie dienen aangeboden te worden in het Engels.

Het CV dient in een Word format aangeleverd te worden.

Requires a bachelor's degree in a relevant technical field and/or 5-10 years of experience in applying the discipline skill to oil and gas projects. Familiar with a variety of the discipline's concepts, practices, and procedures. Relies on experience and judgment to plan and accomplish goals. Performs a variety of tasks with minimal day to day supervision. Has begun to demonstrate some breadth in applying skills to different project phases and / or acquiring experience in other related disciplines. A wide degree of creativity and latitude is expected. May report to a supervisor or manager. Strong understanding on cementing and drilling fluids (10+ years) to support our active rig, CWI and D&R activities. Boots on the floor mentality, balanced and can do mentality – with of course strong HSE mindset.
